WARATAH

Farmers® range of Waratah kitchen doors, panels and features are a delightful expression of country charm with today's modern functionality.

Like all of the Farmers® range, the Waratah collection has unmatched attention to detail.

Farmers® Waratah range extends its detailed features to plate and wine racks, pull-out cane vegetable baskets and a rangehood canopy breast that emits the traditional charm of the country. No matter what features you choose, you can be assured the Waratah finish exudes the warmth and authenticity of this timeless design.

TUSCAN

Rediscover the joy of entertaining with the Tuscan collection from Farmers®.

The kitchen today is becoming the central focus of any home. No longer is it a place for just preparing meals while everyone else is in the living room. Preparing the meal and sharing a glass of wine with friends in the kitchen is now integral to entertaining.

Nothing is more inviting than the traditional rustic Italian kitchens of Tuscany, a place where friends and family gather, talk and prepare meals together. Unmatched in attention to detail, the understated, subtle richness draws on the earthy textures of nature to set a relaxed ambience for food preparation and entertaining.

PROVINCIAL

The award winning range of Farmers® is now served up in aromatic, creamy, subtle hand finishes that will inspire and excite your senses.

Combine this with the latest kitchen accessories, silky smooth drawers and hinges, mesh door panels, integrated dishwasher door and moulded rangehood canopy, utilising modern technology.

Ask your cabinetmaker to access the full, exclusive and 'authentic' Farmers® range of doors, panels and mouldings from our Australia and New Zealand distribution network.

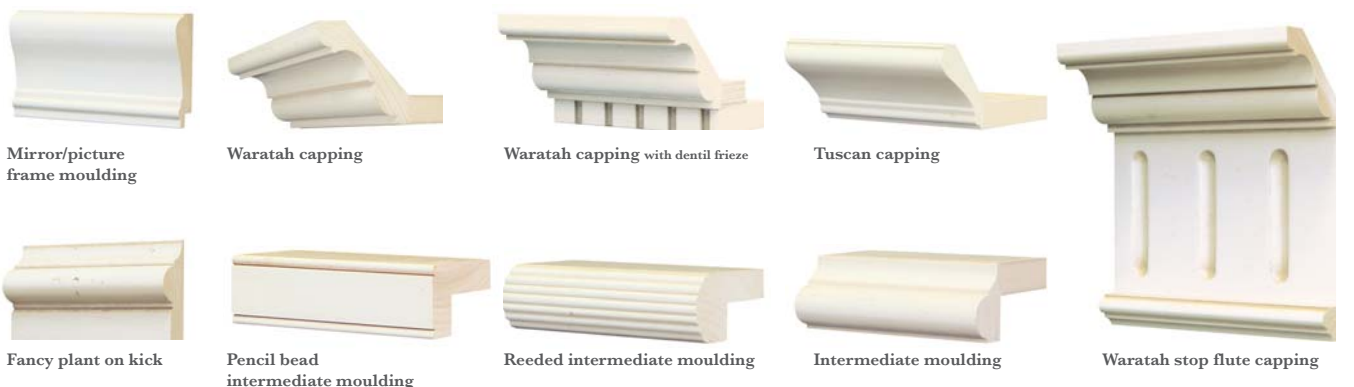

Feature mouldings give your project a passionate depth of history, creating highlights and shadows with a wonderful attention to detail. By tastefully including two or more of these classic elements you can be assured of creating something for the future.
